

MONTANA WIC FARMERS MARKET NUTRITION PROGRAM

WIC FARMERS' MARKET BENEFITS ARE GOING DIGITAL!

Starting this summer, WIC families will access Farmers' Market Nutrition Program (FMNP) benefits through their mobile devices or a card with a QR code.

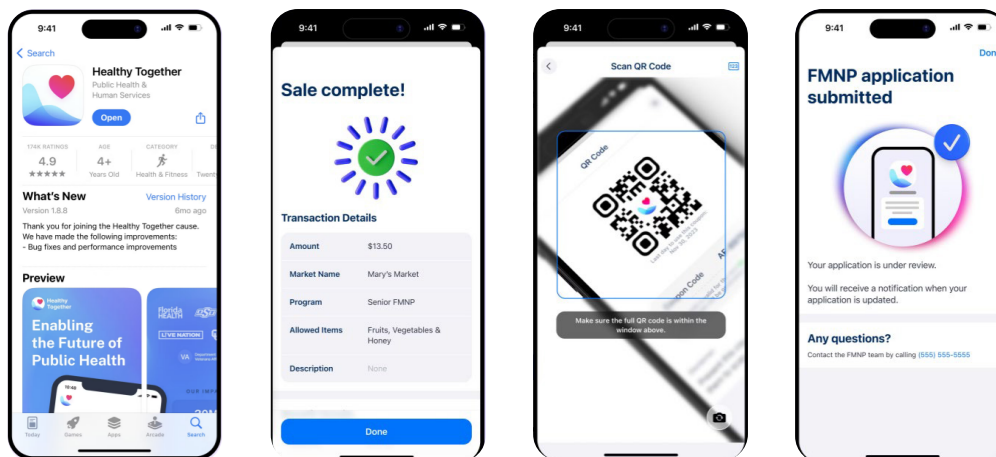

FOR FARMERS:

Simplify your transactions with these benefits:

- **Easy QR Code Scans:**
Complete sales with just your device—no more stamps or check deposits.
- **Effortless Management:**
Track your transaction history in one place.
- **Streamlined Accounts:**
Support multiple cashiers on a single account.
- **Convenient Setup:**
Complete your application, agreement, and training directly through the app.

GET READY TO DOWNLOAD

The app will be available to Montana farmers in April 2025. Look out for training updates from your local WIC clinic this spring!
