

Instruction and Guidance: Civil Rights Compliance

CHILD AND ADULT CARE FOOD PROGRAM (CACFP)

This Instruction and Guidance document is to assist in understanding civil rights compliance in the CACFP, acts as instructions to fill out the initial and annual civil rights paper work titled, Record of Civil Rights Compliance, and serves as a resource for annual and ongoing civil rights requirements. If you have questions, please contact the Child & Adult Care Food Program at 406-444-1788 or 888-307-9333.

The Child and Adult Care Food Program is a federally funded program and because the CACFP is federally funded, all institution(s) participating must assure CACFP benefits are made available to all eligible individuals without regard to race, color, national origin, sex(including gender identity and sexual orientation), age or disability. All institution(s) participating in the CACFP must comply with civil rights requirements, as stated in 7 CFR 226.6(m)(1): Title VI of the Civil Rights Act of 1964, prohibiting discrimination on the basis of race, color, or national origin in programs and activities receiving Federal financial assistance; Americans with Disability Act and Section 504 of the Rehabilitation Act of 1973, prohibiting discrimination on the basis of disability; Title IX of the Education amendments of 1972, prohibiting discrimination on the basis of sex; and the Age Discrimination Act of 1975, prohibiting discrimination on the basis of age.

MT CACFP refers to FNS Instruction, number 113-1, for All FNS Employees and State Agencies, as a resource to guide and enforce Civil Rights Compliance.

MT CACFP refers to state agency policies MT CACFP 1999-6 Rev 4 Civil Rights Compliance and MT CACFP 2000-5 Rev 4 Non-discrimination Statement to guide and enforce Civil Rights Compliance.

I. Non-Discrimination and Non-Pricing Program Policy Statement

All institutions that participate in the CACFP are non-pricing programs. Non-pricing means that institutions do not charge a separate fee for meals and must assure that there is no discrimination in the course of meal service. Institution(s) assure the state agency of compliance by the agreeing to incorporate the Nondiscrimination and Non-Pricing Policy Statement into its policies and practices. 7CFR 226.23(a) & (b). The Nondiscrimination and Non-Pricing Program Policy Statement is stated below.

Non-Discrimination and Non-Pricing Program Policy Statement

The institution assures the Montana Department of Public Health and Human Services/Early Childhood Services Bureau/Child and Adult Care Food Program that all children at the institution(s) are served the same meals at no separate charge regardless of race, color, national origin, sex, age, or disability and there is no discrimination in the course of the meal service. 7CFR 226.2(b).

II. Data Collection and Maintenance

Institution(s) must collect racial/ethnic data of the area it serves and of beneficiaries (participants receiving CACFP benefits), by racial/ethnic category, initially and annually thereafter. Once collected, the data must be maintained on file at the institution as well as submitted to the state agency. The data must be maintained using safeguards which prevent its use for discriminatory purposes.

Such safeguards include allowing access to CACFP records containing this data to only authorized personnel.

An institution(s) must determine the racial/ethnic data of their service area by the county (counties) or reservation the institution(s) serves. To determine this information, please use racial/ethnic data provided for the State of Montana in the 2010 Census and available on the Federal website: [2010 Census](#). Once the information is determined, enter the data using ethnic/racial categories provided. Racial/ethnic data of beneficiaries is collected by the institution(s) using its own data. Institution(s) must refer to the information provided on the Income Eligibility Forms or rely on other records for this information.

Please use the following guidance when determining actual racial/ethnic data:

1. Visual identification may not be used to determine a beneficiary's racial/ethnic category. The parents or guardians of beneficiaries may also be asked to identify the racial/ethnic group of the beneficiaries.
2. For data collection purposes, Parents or guardians of beneficiaries may be asked to identify the racial/ethnic group of the participant only after it has been explained, and they understand that the collection of this information is strictly for statistical reporting requirements, if kept in a confidential manner and has no effect on the determination of the participant's eligibility to receive benefits under the CACFP.

3. The following racial/ethnic categories are used for collecting beneficiary data:

AMERICAN INDIAN OR ALASKAN NATIVE: A person having origins in any of the original peoples of North America and who maintain cultural identification through tribal affiliation or community recognition (includes Aleuts and Eskimos).

ASIAN OR PACIFIC ISLANDER: A person having Origins in any of the original peoples of the far East, Southeast Asia, the Indian Subcontinent, or the Pacific Islands. This area includes, for example, China, Japan, Korea, the Philippine Islands, and Samoa.

BLACK (NOT OF HISPANIC ORIGIN): A person having origins in the black racial groups of Africa.

HISPANIC: A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

WHITE (NOT OF HISPANIC ORIGIN): A person having origins in any of the original peoples of Europe, North Africa, or the Middle East.

III. Nondiscrimination in Program Delivery

It is necessary that institution(s) review and assure that program operations are non-discriminatory. This includes but is not limited to the current admission and recruitment policies and procedures, to determine that they do not restrict, deny enrollment, or create a barrier to participation on the basis of race, color, national origin, sex, age, or disability.

Some specific examples of discrimination and non-compliance are as follows:

1. Service or delivery of foods in a place, time or manner that results in or has the effect of denying or limiting the benefits of the CACFP on the basis of race, color, national origin, gender, age, or disability.
2. Failure to apply the same eligibility criteria to all potential eligible individuals seeking participation in the CACFP.
3. Maintenance of a waiting list which makes distinctions on the basis of race, color, national origin, sex(including gender identity and sexual orientation), age, or disability.

4. Failure to use or provide material which provides non-English speaking persons full and equal opportunity to receive benefits or services under the CACFP.

It is important that all institutions are familiar with the Americans with Disability Act and that program operations are nondiscriminatory on the basis of disability.

SECTION 504 OF THE 1973 REHABILITATION ACT:

Recipients of federal funds shall operate its CACFP or activity so that when viewed in its entirety, is readily accessible to and usable by people with disabilities. Because a recipient's facilities are inaccessible to, or unusable by people with disabilities, they may not be denied the benefits of, or be excluded from participation.

People with disabilities may not, on the basis of disability, be denied admission or be subjected to discrimination in admission, or recruitment into the CACFP.

Institution(s) (including day care homes) may not make the determination of whether a person is disabled, rather the institution shall accept the signed statement from a state recognized medical authority which provides the diagnosis of the disability.

Institution(s) participating in CACFP are required to serve meals to recipients whose disability restricts their diet. Institutions must request and receive a medical certification from a state recognized medical authority indicating dietary needs. This information may be a part of a special needs health care plan that includes feeding, and/or dietary information including dietary restrictions, food modifications, and food substitutions.

Institution(s) may not charge extra for the preparation and serving of such meals.

Institution(s) must review the current admission and recruitment policies to ensure that there are no barriers to participation on the basis of disability.

IV. CHILD AND ADULT CARE FOOD PROGRAM CIVIL RIGHTS COMPLIANCE AND ENFORCEMENT

Implementation of the Public Notification System

The purpose of this system is to inform beneficiaries and potential beneficiaries of the program availability, program rights and responsibilities, the policy of nondiscrimination, and the procedure for filing a complaint.

All participating institution(s) (these requirements do not apply to day care homes) are required to:

a. Contact grassroots organizations including those serving minority organizations in the service area to announce participation in and benefits of CACFP. A copy of the announcement must be retained on file and include where the announcement was sent. A grassroots organization is an organization at the local level that interacts directly with eligible and potentially eligible participants, such as an advocacy organization, community action program, civic organization, migrant group, religious organization, neighborhood council or similar group;

b. Provide the nondiscrimination statement and procedure for filing a complaint to all parents or guardians of beneficiaries and potential beneficiaries. The non-discrimination statement must be placed on all information distributed to parents, guardians and/or the public including parent handbooks, leaflets, brochures, bulletins and newspaper announcements. If the document is too small to accommodate the complete nondiscrimination statement, please use the USDA's short nondiscrimination statement. Please refer to MT CACFP Non-Discrimination Statement MT CACFP Policy 2000-5 Rev 4 for more information.

c. Display in a prominent place the nondiscrimination poster “*And Justice for All*” developed by the MT CACFP or USDA. *Displayed The Civil Rights Poster "And Justice for All" near our facility's public entrance (day care homes exempt);*

d. Make CACFP information available to the public upon request. Upon initial visits, parents and/or guardians of beneficiaries and potential beneficiaries must give specific information pertaining to the receipt of CACFP benefits. Institutions must have the capability of providing informational materials in the appropriate translation (available through the Montana CACFP office or community resources) concerning the availability and nutritional benefits of the CACFP.

1. Parents and/or guardians of beneficiaries and potential beneficiaries must be informed of the institution(s) participation in the CACFP: activities of the CACFP (referred to as parent notification), the CACFP non-discrimination statement and the complaint procedure. References: 7 CFR 226.6(b)(4)(iv), p. 20 and MT CACFP Policy 2000-5 Rev 4, Non-Discrimination Statement
2. Parents and/or guardians of beneficiaries and potential beneficiaries must be informed on right to file a complaint, how to file a complaint, and the complaint procedures at the institution (the service delivery point).

MT CACFP recommends that the following is placed in the institution(s) parent handbook and reviewed with parents and/or guardians of beneficiaries and potential beneficiaries.
