

YouTube Video Training: [HCBS SETS Provider Portal Entities](#) (1:06)

SETS Provider Portal Provider Entities

Provider Entities are also called Providers. Providers have at least one, but can have more than one, Setting.

Establishing a Provider Entity

HCBS staff must establish your Provider Entity in the SETS Portal in order for you to begin using it. Contact HCBS staff if you need your Provider Entity established.

Managing a Provider Entity

Contact HCBS staff if you need to update any of your Provider Entity information.
