

TANF 001

Monthly Income Standards

Supersedes: TANF 001 (07/01/23)

Reference: ARM 37.78.420

Overview: The tables of standards contain the income and benefit standards used to determine financial eligibility for TANF cash assistance. These standards are based on the number of persons in the assistance unit and set the financial eligibility requirement for the filing/assistance unit as a whole.

The tables of standards also contain the payment standards which are based on the number of persons in the assistance unit for the TANF cash assistance program and are a set amount for the Post-Employment Program.
