

Montana Healthcare Coalitions (HCCs)

HCCs are federally funded through the Hospital Preparedness Program (HPP). HPP is the only source of federal funding for healthcare system readiness. HCCs offer grants that provide a regional benefit for healthcare preparedness.

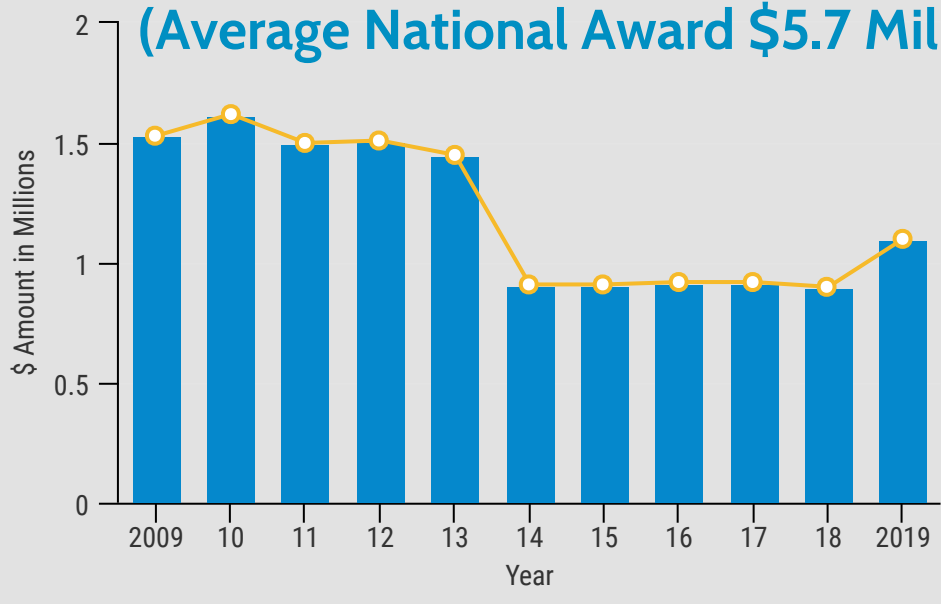

Regional HCCs

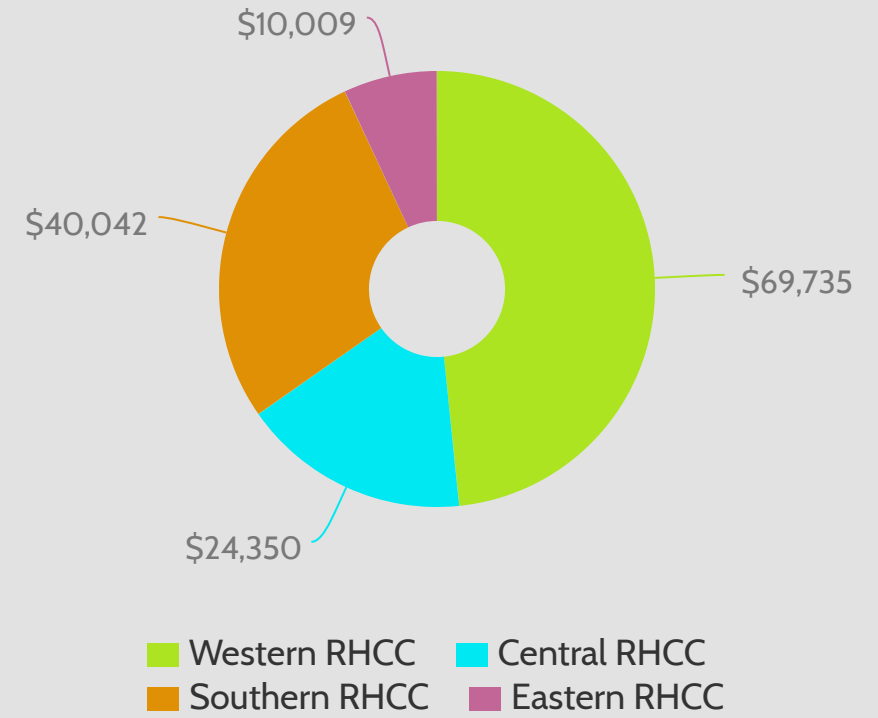

Population 384,300	Square Miles 30,701	*30 Members
Population 232,526	Square Miles 34,885	*31 Members
