**Daycare Center Environmental Health Inspection Report**  
**Attachment B: Environmental Issues Referral Form for Daycare Center Inspectors**

The following Environmental Issues Referral Form is intended for use by daycare inspectors during regularly scheduled inspections of state licensed daycare centers. The form includes property and building attributes that could suggest a former or current industrial, manufacturing, and/or agricultural use and which may warrant follow-up by MT Choose Safe Places Program. The form also includes businesses using hazardous chemicals that could impact a daycare center if the business is co-located in the same building or complex as the daycare or adjacent to the daycare. You can find safe siting considerations and information on our website, [here](#).
