Protein Sciences
0.5 mL single-dose syringe

Fluzone® High-Dose Quadrivalent
Sanofi Pasteur, Inc.
0.7 mL single-dose syringe

All influenza vaccines are stored in the refrigerator. Questions: 406-444-5580

Vaccines with the VFC logo are available through the Vaccines for Children Program in 2021-2022. VFC vaccine can only be used for VFC eligible children (<19 years of age).

Children under 9 years of age with a history of fewer than 2 doses of influenza vaccine are recommended to receive 2 doses of flu vaccine this season.

*Multi-dose vials contain preservatives.
