

Reports Scheduler Quick Reference Guide

Note: Scheduling reports in *imMTrax* helps reduce the number of tasks the *imMTrax* system runs at one time. This helps the system run better and results in fewer issues with reports timing out. The reports scheduler can also help users run reports they need frequently without having to run the report independently each time.

Steps to Follow:

1. Select **Reports** from the left menu and then navigate to the **Reports Module**.

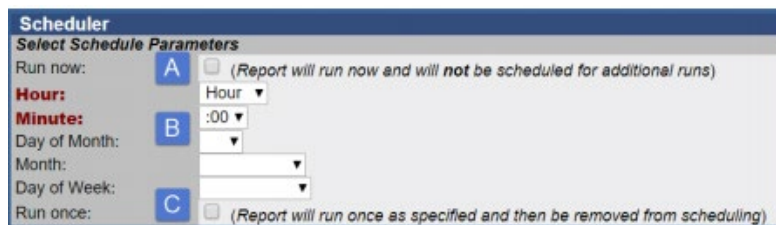

2. Click on the **Schedule** button next to the report name.

Coverage Rate Report

Schedule

3. In the Scheduler section of the report screen, choose how you would like to schedule your report:
 - a. **Run Now** – This checkbox lets you run the report immediately. You will receive an email when the report is ready. The email on file in your user account must be current to ensure you can receive this notification.
 - b. **Run at a Specific Time** – Fill in the date and time fields. The time fields are required.
 - c. **Run Once** – After choosing a specific date and time to run the report, check this box if you want to schedule it to only run one time at the date/time you specified.

4. Select which users should receive the scheduled report:
 - a. Type in the user's first, last, or both first and last name.
 - b. Click the **Search** button to find the user.
 - c. Select the checkbox next to the user's name.
 - d. Click the **Select Users** button.
 - e. Repeat the steps above to search for and select other users if you want to send the report to multiple users.

Report can be accessed by:

Search User:

First Name: A

Last Name: B

Search Results (Select the users listed below and click on 'Select Users'):

Select User	First Name	Last Name	Organization	Facility	Email Address
<input checked="" type="checkbox"/>	MT	VAX	LEWIS & CLARK CITY COUNTY HEALTH DEPARTMENT	LEWIS & CLARK COUNTY HEALTH DEPARTMENT	SARAH.KEPPEN@MT.GOV

Showing 1 to 1 of 1 entries

D

First Previous 1 Next Last

5. Once you select a user, they show up at the bottom of the screen in the Selected Users section.
 - a. Check the **Select User** checkbox for each user you want to receive the report.
 - b. Click the **Schedule** button.

Selected Users (Report will be sent to users listed below):
