

# **Fees for Laboratories Applying for Certification to Analyze Public Water Supplies**

## Montana In-State Laboratories

The following fees apply to Montana laboratories applying for licensure.

Initial Application Fee (assessed when issuing a first-time license)

Microbiology	Inorganic Chemistry	Organic Chemistry
\$250	\$250	\$250

Licensure Fees

Microbiology	Inorganic Chemistry	Organic Chemistry
\$350	\$350	\$550

New laboratories seeking licensure after July 1 of the fiscal year will be assessed 50% of licensure fees.
