Grantee Name:

County:

Questions:

1. Please indicate which ALA program you chose to pursue. If you chose to design your own educational sessions, please explain what resources you used to develop your material.

2. To how many students did you provide asthma self-management education? In total, how many hours of instruction did you provide?

3. How did you arrange with school teachers and/or administration to meet with students? Did you face any difficulties in arranging times to provide instruction?
